- **VOX SFX recent Podcast - They Who Mourn** - *When we are in mourning, we hardly feel blessed. Grief can shatter us in mind and spirit, it can take a heavy toll on the body, and it can devastate our faith. In these moments of weakness it is often difficult to see the light. The love of God is always there, but sometimes we can render ourselves numb to His compassion. But God can use our grief to help others and to build a bridge between us that was stronger than before, if only we let him into that space of hurt. Katy is back on the show to discuss moments of profound grief with Nicholas, and both of them have a message of faith and God's love from their own experiences.* Listen in on your favorite directory, the Parish website [sfxmissoula.org](http://sfxmissoula.org) or on our YouTube channel.
