### Confession and Reconciliation

*One of the core Catholic experiences is participation in the Rite of Reconciliation, commonly known as Confession. We reflect on where we have fallen short of God's expectations and bring this to a priest who serves as Christ's messenger of absolution. Beyond the rote recitation of sins, it is an invitation to go deeper into our own nature with the intent of not just identifying our sins, but working through the root causes. Fr. Cochran joins Nicholas for an in depth discussion about this Holy Rite and how it can enrich our lives.*

- **The Spiritual Exercises in Everyday Life (SEEL)** If you struggle to feel connected to others, perhaps even to your parish community, the Spiritual Exercises in Everyday Life (SEEL) retreat offers a wonderful opportunity to be involved more intentionally with others as you pray and grow spiritually together. This is what Regina DeCristofaro said about her SEEL retreat: *"I had been searching for something like the Spiritual Exercises my whole life. It is difficult to feel like I belong in the Church as a single woman. I don't fit into the usual categories or groups. I didn't have a prayer life. And I had confined my relationship with God to a future 'something' – a move, a new job. In making the SEEL retreat, I now know that Christ's love is not 'someday' or an 'eventuality.' It is today. When the SEEL retreat ended, I wanted to keep going. Now I am seeing Christ in my everyday life."* Visit on our website to learn more and apply <https://www.sfxmissoula.org/spirituality>.
