**Enjoy our recent podcast with Fr. John Guyol on the topic of Christian Stewardship!**

'In the beginning, God created the world in all its glory and bounty. He then created the creatures that would populate it. Finally, He raise up man from the earth and charged us with a sacred duty: to be stewards of the Garden. Though we may no longer dwell in Eden, our appointed task remains to be caretakers of Creation. Fr Guyol joins Nicholas as we discover the true meaning of Christian Stewardship.'
